

WETHERBY
KENSINGTON

Wetherby Kensington School Council

Meeting Minutes, 18th March 2019

Miss Sheldon, Kian, Krishan, Jasper, Philip

1. Lunchtimes - Chef Rahel

- Chef Rahel came to the meeting to hear what the boys had suggested. She went through each idea and explained whether she could help with these or not
- The kitchen will be able to do pizza on some Fridays
- Chef Rahel told the boys that a lot of the other ideas were foods that included lots of sugar and she explained why this wasn't always healthy
- Chicken nuggets can't be added to the menu because they would have to be brought into school and not made in the school kitchen, so they wouldn't be fresh and homemade
- Chef Rahel asked the boys to give the rest of the school a message about trying new food at lunchtime, even if it is only a small amount

2. Suggestions from each class

- Each boy had meet with Miss Sheldon last week to go through the suggestion boxes
- Miss Sheldon handed out a copy of the *We listened...here's what you suggested* and the boys decided how to deal with each category of suggestions. They have decided to write a letter to some of the teachers with requests and ideas and to speak to the rest of the boys in an assembly
- The suggestions came under four categories and each boy will be working on a different one
 - Lunch – Krishan
 - Trips – Philip
 - Sport and clubs – Jasper
 - Events in school - Kian

3. What next?

- Miss Sheldon will meet with each boy this week
- They will work on writing a letter if they need to, and what they will say to the boys in next week's assembly

4. Any other business

- Miss Sheldon thanked the boys for doing an excellent job. They had all done really well in collecting ideas from their class and had been brilliant founding members of the Wetherby Kensington School Council!

New school council representatives will be elected next term.

More information about this will follow.
